Construction Notice

NE Dayton Contract 3, Area 5 Street and Utility Improvements Contractor: Kuechle Underground

- Curb and Gutter installation will begin on Monday, August 27th for Overlook Road, Cedarwood Court, Pineview Lane, and Stone Ridge Road Cul-de-sac, providing the weather does not delay the crew. Please pay special attention to the information below, as it will be critical to installing the curb in a timely matter.

GENERAL PROJECT INFORMATION:

- Beginning on **Monday at 12pm**, curb crews will be placing a string line on the outside edge of the street and **across your driveway** for the curb machine to follow.
- In order for this to be accomplished, all vehicles that you will want to use for the following **WEEK** must be placed on Rosewood Lane or 141st Ave where curb has been installed, or the paved portion of Stone Ridge Road. You must have your vehicles out by **Monday 12pm**.
- After the curb is placed in the street you may then park in front of your house, but you can not drive over the curb for a period of **5 DAYS**. (Sunday if poured on Tuesday)
- We do realize this is a significant inconvenience to you, and we ask for your patience, this is one of the final steps in the construction process. We are almost DONE.
