

Construction Notice

May 3, 2008

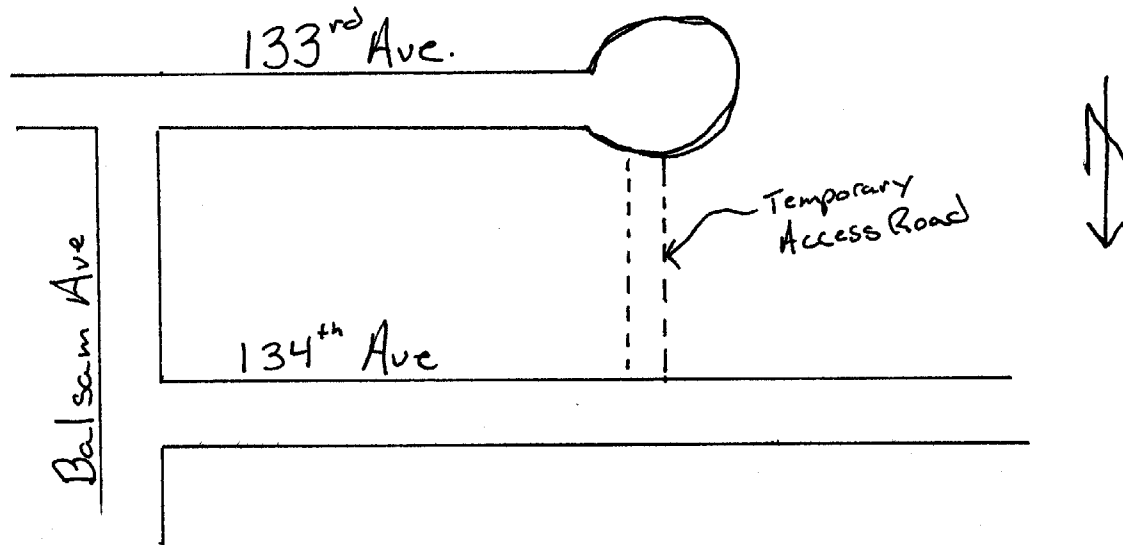

CITY PROJECT #000174-06137
NE Dayton Contract 1, Areas 1 & 2 Street and Utility Improvements

RESIDENTS WEST OF BALSAM AVE. ON 133RD AVE.

While the sewer and water installation progresses east on 133rd Ave. access to your driveway will continue to be blocked. There is going to be a temporary access road that will run from the north side of the cul-de-sac on 133rd Ave. up to 134th Ave.

There will be orange snow fence showing the route to drive between the two streets. Please only use this route when sewer construction is blocking access to your driveway. Once sewer construction is completed the temporary access road will be blocked off.

If you do not want to use the temporary access road you may park on Balsam Ave. or further down 133rd Ave. and walk to your home.

Richard Hjelle (Project Inspector)
