701.01. DEFINITIONS.

Any term used in this ordinance and defined in Minnesota Statutes, Section 169.01 has the meaning given it by that section.

701.02. SPEED LIMIT ZONES.

A speed limit zone is established on the following street: South Diamond Lake Road, from Champlin City limits to Pineview Avenue. Upon the erection of appropriate signs designating the beginning and ending of such speed limit zones, no person shall drive a vehicle within the zones designed by this section in excess of 50 miles per hour.

701.03. TRUCK RESTRICTIONS.

The council by resolution may designate streets on which travel by commercial vehicles in excess of specified pounds gross weight per axles is prohibited. The maintenance department shall erect appropriate signs on such streets under council direction. No person shall operate a commercial vehicle on such posted streets in violation of restrictions stated.

701.04. SEASONAL WEIGHT RESTRICTIONS.

The maintenance department may recommend the prohibition of operation of vehicles upon any street within the city or recommend weight restrictions on vehicles to be operated on such street whenever the street by reason of deterioration, rain, snow or other climatic conditions will be seriously damaged or destroyed unless the use of vehicles on the street is prohibited or the permissible weights thereof reduced. The council shall act on such recommendation and may direct the maintenance department by resolution to erect and maintain appropriate signs plainly indicating the prohibition or restriction at each end of that portion of the street so effected. No person shall operate a vehicle on a posted street in violation of the prohibition or restriction.

701.05. PARKING REGULATION.

Subdivision 1. No Parking, Stopping, or Standing Zones. The council may, by resolution, designate certain streets or portions of streets as no parking or no stopping or standing zones or as zones for parking by physically handicapped persons and may limit the hours in which the restrictions apply. The maintenance department shall mark by appropriate signs the zone so designated. Except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or a traffic control device, no person shall stop or park a vehicle in an established no stopping or standing zone when stopping or standing is prohibited. No vehicle shall be parked in a no-parking zone during hours when parking is prohibited except when permitted by State law and except that a vehicle may be parked temporarily in such zone for the purpose of forming a funeral procession and a truck may be parked temporarily between the hours of 9:00 a.m. and 4:00 p.m. of any business day only for the purpose of loading or unloading where access to the premises is not otherwise available.

Subd. 2. Impoundment. Any police officer may cause to be removed a vehicle from a street to a garage or other place of safety when the vehicle is left unattended and constitutes an obstruction to traffic, endangers public safety or hinders snow removal or street improvement or maintenance operations. Whenever an officer causes removal of a vehicle under this subdivision, he shall use all reasonable means available to ascertain the owner of such vehicle and notify the owner of the same. Such notice shall also be given to the garage where such vehicle is being held. If a registered owner is ascertained, such vehicle shall be released only to such owner. Such vehicle shall not be released until the fees for towing and storage are paid.

Subd. 3. Truck Parking. No truck with a gross weight in excess of 4.5 ton or greater than 2 axles, shall be parked or allowed to stand for greater than 4 hours except during actual loading and unloading, on any street or roadway within the city. (Amended by Ordinance 83-6, passed 6-20-83.)

Subd. 4. Prima Facie Evidence. The presence of any motor vehicle on any street standing or parked in violation of this chapter is prima facie evidence that the registered owner of the vehicle committed or authorized the commission of the violation.

701.06 Winter Parking. No person shall stop, stand or park any motor vehicle or permit it to stand on any street within the city after a two inch (2") snowfall until after such street has been plowed full width. Violation of this section shall be a petty misdemeanor. (Amended by Ordinance 84-13, passed 11-19-84.)

701.07 Removing Keys. No person shall leave a motor vehicle except a truck which is engaged in loading or unloading, unattended on any street, used car lot or unattended parking lot without first stopping the engine, locking the ignition and removing all ignition keys from the vehicle. Whenever any police officer finds any motor vehicle standing in violation of this provision, he shall remove the keys from the vehicle and deliver them to police headquarters. Notice of such removal shall be left with the motor vehicle.

701.08 Exhibition Driving Prohibited. No person shall turn, accelerate, decelerate or otherwise operate a motor vehicle within the city in a manner which causes unnecessary engine noise or backfire, squealing tires, skidding, sliding, swaying, throwing of sand or gravel or in a manner simulating a race. Unreasonable squealing or screeching sounds emitted by tires, or the unreasonable throwing of sand or gravel by the tires is prima facie evidence of a violation of this section.

701.09 Police Duties. The police department shall enforce the provisions of this chapter and the state traffic laws. Police officers are authorized to direct all traffic within the city, either in person or by means of visible or audible signal, in conformity with this chapter and the state traffic laws. During a

fire or other emergency or to expedite traffic or safeguard pedestrians, officers of the police department may direct traffic as conditions require notwithstanding the provisions of this chapter and the state traffic laws. Officers of the fire department may direct or assist the police in directing traffic at the scene of a fire or in the immediate vicinity. It shall be unlawful to interfere with such duties by officers.

701.10. PENALTY.

Any person convicted of violating Sections 701.02, 701.03, 701.04, 701.08, or 701.09 of this ordinance is guilty of a misdemeanor. Violation of any other provision of this chapter shall be a petty misdemeanor.

702. Snowmobiles.

702.01. YOUTHFUL SNOWMOBILE OPERATORS; PROHIBITIONS.

No person under 14 years of age shall make a direct crossing of a trunk, county state aid or county highway as the operator of a snowmobile, or operate a snowmobile upon a street or highway within the city. A person 14 years of age or older, but less than 18 years of age, may make a direct crossing of a trunk, county state aid, or county highway only if he has in his immediate possession a valid snowmobile safety certificate issued by the Commissioner. No person under the age of 14 years shall operate a snowmobile on any public land or water under the jurisdiction of the Commissioner unless accompanied on the same or an accompanying snowmobile, or on a device towed by the same or an accompanying snowmobile by: his parent, legal guardian, or other person 18 years of age or older. However, a person 12 years of age or older may operate a snowmobile on public lands and waters under the jurisdiction of the Commissioner if he has in his immediate possession a valid snowmobile safety certificate issued by the Commissioner.

It is unlawful for the owner of a snowmobile to permit the snowmobile to be operated contrary to the provisions of this section.

702.02. OPERATION ON STREETS AND HIGHWAYS.

Subdivision 1. Upon Streets and Highways. No person shall operate a snowmobile upon the roadway, shoulder or inside bank or slope of any trunk, county state aid, or county highway in the city, and, in the case of a divided trunk or county highway, on the right of way between the opposing lanes of traffic, except as provided in this act. No person shall operate a snowmobile within the right of way of any trunk, county state aid, or county highway between the hours of one-half hour after sunset to one-half hour before sunrise, except on the right hand side of such right of way and in the same direction as the highway traffic on the nearest lane of the roadway adjacent thereto. No snowmobile shall be operated at any time within the right of way of any interstate highway of freeway within this state.

Subd. 2. Crossing. A snowmobile may make a direct crossing of a street or highway at any hour of the day provided:

- (1) The crossing is made at any angle of approximately 90 degrees to the direction of the highway and at a place where no obstruction prevents a quick and safe crossing; and
- (2) The snowmobile is brought to a complete stop before crossing the shoulder or main traveled way of the highway; and
- (3) The driver yields the right of way to all oncoming traffic which constitutes an immediate hazard; and
- (4) In crossing a divided highway, the crossing is made only at an intersection of such highway with another public street or highway; and
- (5) If the crossing is made between the hours of one-half hour after sunset to one-half hour before sunrise or in conditions of reduced visibility, only if both front and rear lights are on.

Subd. 3. Equipment. No snowmobile shall be operated upon a public street or highway unless it is equipped with at least one headlamp, one tail lamp, each of minimum candlepower as prescribed by regulations of the Commissioner, reflector material of a minimum area of sixteen (16) square inches mounted on each side forward of the handle bars, and with brakes each of which shall conform to standards prescribed by rule of the Commissioner pursuant to the authority vested in him by Minn. Statute 84.86, and each of which shall be subject to approval of the Commissioner of Highways. any sled, trailer, or other device being towed by a snowmobile must be equipped with reflective materials as required by rule and regulation of the Commissioner.

Subd. 4. Exception. A snowmobile may be operated upon a public street or highway other than as provided by Subd. 2 in an emergency during the period of times when and at locations where snow upon the roadway renders travel by automobile impractical.

Subd. 5. Highway Act Applicable. All provisions of M.S.A. 169 shall apply to the operation of snowmobiles upon streets and highways, except for those relating to required equipment, and except those which by their nature have no application.

702.03. HOURS.

No snowmobile shall be operated except during the following times:

- 1) From 7 a.m. to 11 p.m. Monday, Tuesday, Wednesday and Thursday.
- 2) From 7 a.m. Friday to 1 a.m. Saturday.
- 3) From 7 a.m. Saturday to 1 a.m. Sunday.
- 4) From 7 a.m. Sunday to 1 a.m. Monday.

702.04. SPEED.

No snowmobile shall be operated upon city streets, alleys or other public property at a speed greater than twenty (20) miles per hour. However, in no event shall a snowmobile be operated at a speed greater than reasonable or proper under all of the existing circumstances. Further, no snowmobile shall be operated at a speed greater than ten (10) m.p.h. within one hundred (100) feet of any fisherman, fish house, shelter, pedestrian, skating rink, sliding area or any other area where such operation would conflict with the lawful use of other property or endanger or hinder other persons or within fifty (50) yards from any farm buildings; provided, however, that the foregoing speed limit shall not apply to snowmobile events upon public waters within the city if a Minnesota Department of Natural Resources permit to allow greater than normally permitted speeds is obtained. The

exception to the prohibition on speed shall apply only for the duration of the Department of Natural Resource's permit.

(Section 702.04 amended by Ordinance 86-10, passed October 6, 1986.)

702.05. CARELESS DRIVING.

No snowmobile shall be operated in a careless, reckless or negligent manner so as to endanger or be likely to endanger the person or property of others or cause injury or damage thereto, while on public or private property.

702.06. SIDEWALKS.

Snowmobiles shall not be operated on sidewalks within the city.

702.07. NOISE.

No snowmobile shall be operated in a manner so as to create a loud, unnecessary, or unusual noise which disturbs, annoys or interferes with the peace and quiet of the persons.

702.08. TRESPASS.

No snowmobile shall be operated upon private property of another without lawful authority or consent of the owner and/or occupant of said property.

703. WATERCRAFT

703.01. Purpose.

The City desires to protect certain species of ducks and other resident wildlife on and around the vicinity of French Lake pursuant to Minn. Stat. §450.20 and §378.32, Subd. 6, 7, and 9.

703.02. Definitions.

Subdivision 1. Watercraft means any contrivance used or designed for navigation on water.

Subd. 2. Motorboat means any watercraft propelled in any respect by machinery, including watercraft temporarily equipped with detachable motors; provided, however, that motorboat does not include a watercraft propelled by a motor not exceeding 45 pounds of thrust and operated by a handicapped person. (Amended by Ordinance 91-20, passed November 4, 1991.)

703.03. Restrictions on Operations.

Subdivision 1. Watercraft. No person shall operate a watercraft on French Lake before June 15th of each calendar year.

Subd. 2. Motorboat. No person shall operate a motorboat at any time on French Lake.

Subd. 3. Exemption. The foregoing restrictions shall not apply to personnel from the Department of Natural Resources while performing resource management duties or to enforcement and emergency personnel while in the performance of their official duties.

(Added by Ordinance 87-5, passed May 4, 1987.)

ORDINANCE NO. 2002-14

CITY OF DAYTON

**AN ORDINANCE REGULATING THE USE OF MOTORIZED DIRT BIKES
AND ALL-TERRAIN VEHICLES IN AREAS WITHIN THE CITY OF DAYTON**

WHEREAS, the City of Dayton is a municipality with established ordinances; and

WHEREAS, the City of Dayton allows the usage of motorized dirt bikes and all-terrain vehicles in areas within the City; and

WHEREAS, the City Council desires to enact an ordinance regulating the use of motorized dirt bikes and all-terrain vehicles in areas within the City to protect the public health, safety and welfare of the general public.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF DAYTON DOES
ORDAIN:**

SECTION 1. REGULATION OF MOTORIZED DIRT BIKES AND ALL-TERRAIN
VEHICLES.

Subd. 1. Definitions. Unless the context clearly indicates otherwise, the words, combinations of words, terms, and phrases, as used in this Ordinance shall have the meanings set forth as follows:

- a. "All-Terrain Vehicle" or "ATV" shall mean a motorized flotation-tired vehicle of not less than three (3) low pressure tires, but not more than six (6) tires, that is limited in engine displacement of less than 800 cubic centimeters and total dry weight less than 600 pounds.
- b. "Motorized Dirt Bike" shall mean a two (2) wheeled vehicle being capable of cross-country travel on natural terrain without benefit of a road or trail.
- c. "Lot" or "Lots" shall mean a lot which is part of an approved subdivision, the map of which has been recorded with the County Recorder or the Registrar of Deeds, or a lawful lot described by metes and bonds, the deed of which has been recorded with the County Recorder or the Registrar of Deeds on or before January 31, 1980, or one for which the City has granted a waiver from platting.
- d. "Established Riding Area" shall mean trails or area on a Lot used by a Motorized Dirt Bike and/or ATV.

Subd. 2. The use of a Motorized Dirt Bike and/or an ATV is not allowed on Lots of less than two (2) acres in size.

Subd. 3. A Motorized Dirt Bike and/or ATV may be used on Lots of two (2) acres or greater in size located within the City on the condition that the riders shall adhere to the following:

- a. Established Riding Area for a Motorized Dirt Bike and/or ATV is to be located no closer than One Hundred feet (100') from any Lot line, or Fifty feet (50') if a fence, approved by the City, has been constructed along the Lot line by the Lot owner.
- b. Dust and noise control measures are to be maintained by the Lot owner. These dust and noise control measures are to be enforced by the City if Lot owners of Lots that are adversely affected by dust and noise, due to Motorized Dirt Bike and/or ATV use, file a written complaint with the City.
 - (1) Dust control measures shall include, but are not limited to, the planting of Twelve foot (12') high coniferous trees planted Ten feet (10') on center, or the construction of a Six foot (6') minimum board on board style fence.
 - (2) A Motorized Dirt Bike and/or ATV must have a federally approved spark arrestor, the noise emission may not exceed Ninety-nine (99) decibels at a distance of 20 inches at idle, and mufflers may not be altered to increase motor noise, or have a cut out bypass, or similar device.
- c. No more than two (2) riders that are unrelated to the immediate household members that reside in the dwelling on the Lot may operate a Motorized Dirt Bike and/or ATV on the Lot. A Motorized Dirt Bike and/or ATV may only be operated on the Lot during the following times: Monday through Friday, 9:00 a.m. through 7:00 p.m.; and Saturdays and Sundays, 10:00 a.m. through 5:00 p.m. Operation of a Motorized Dirt Bike and/or ATV must cease for a minimum of one (1) hour after every hour of riding.
- d. Operation of a Motorized Dirt Bike and/or ATV shall not be allowed on either primary or secondary septic sites.
- e. Any unvegetated Established Riding Area must be watered down before, during, and after usage as needed to limit dust.

Subd. 3. The following uses are exempt from this Ordinance:

- a. Any Motorized Dirt Bike and/or ATV used by City or any other governmental body in conducting official business.

gac

- b. Any Motorized Dirt Bike and/or ATV used for the purpose of Lot maintenance.

Subd. 4. Any person who violates any provision of this Ordinance shall be guilty of a misdemeanor.

SECTION 2. EFFECTIVE DATE. This Ordinance shall be effective from and after its passage and publication in accordance with the law.
